**Baldwin
Segment**

Michigan Cross Country Cycle Trail (CCC Trail)

*It is the policy of the Huron-Manistee National Forests that all Forest lands are **closed unless posted open** to all riders on all trails.*

Motorized vehicles that are licensed as ORVs can operate on trails, roads, and areas which are designated and signed for their use. All National Forest roads are open to "street legal" vehicles, unless posted closed.

Motorized trails are only for use by vehicles

less than 50" wide.

The Michigan Cross Country Cycle Trail (MCCCT) is over 1200 miles long and located on roads and trails throughout Michigan's lower peninsula. Parts of the trail are found on National Forest, State, County and other public and private lands. This brochure deals with a portion of the trail found on the Baldwin Ranger District. Maps of other segments can be obtained by writing the Michigan Cycle Conservation Club, 2537 Shirley Dr., Jackson, MI 49202 or by calling 517-782-4567.

In addition to the MCCCT, a cycle trail connects with the MCCCT to form a loop known as the "Big O". A connecting ATV trail from Baldwin, northwest to Branch, completes a 41 mile, 50" wide loop. The "Little O" ATV trail connects with DNR trails at Hwy M-37 north of Wolf Lake. The MCCCT continues south into the White Cloud Ranger

District.

This segment of the MCCCT and "Big O" Loop provides 90 miles for licensed motorcycles. The trail is located on a combination of single track 40" trail, and forest and county roads. It connects with the segment on the White Cloud Ranger District. There is also a 41 mile loop for unlicensed motorcycles and ATVs. This loop is a 50" single track trail.

Considerations

- The trail crosses and utilizes numerous County, State, and Forest Roads, so attention to **STOP, STOP AHEAD, and INTERSECTION** signs is important.
- Gas and public phones are located in Baldwin, Walhalla and Wolf Lake. A motorcycle and ATV shop is located 5 miles north of Baldwin on Hwy M-37.
- Please pay attention to signs designating licensed and unlicensed motorcycle and ATV segments. **ONLY** the 41 mile "Little O" loop is open

to unlicensed ATVs and motorcycles. You *must have* a street legal motorcycle to ride the entire "Big O" loop.

- The trail is posted with bright orange **TRIANGLE** confidence markers with symbols designating use.
- Travel *only* trails designated open for the type of ORV you have.
- All ORVs must have, in good working condition and in constant use, a muffler which will meet or exceed all sound emission standards set by state law. Exhaust noise shall not exceed 99Db(A) or 94Db(A) on vehicles manufactured after Jan 1, 1982 when tested according to the provisions of the SAE J1287, June 86 test. All ORVs must be equipped with an appropriate manufacturer's muffler and U.S. Forest Service approved spark arrester.

Trailheads

32nd Street — from Baldwin take Hwy M-37 north 2½ miles to 32nd Street. Go west on 32nd, 2¼ miles to the trailhead. It is located on the north side of 32nd St.

Hwy M-37 — from Baldwin take Hwy m-37 north 9½ miles to the trailhead. It is located on the west side of M-37 just 1½ miles north of Wolf Lake.

In Case of Emergency
